Anchorage Park Foundation

Anchorage has 10,946 acres of municipal parkland, 223 parks, and over 250 miles of trails and greenbelts linking neighborhoods with natural spaces.

The Anchorage Park Foundation partners with the Parks & Recreation Department to promote Healthy Parks and Healthy People in the Anchorage community. Together, we revitalize the safety, function, and appearance of Anchorage parks and the neighborhoods that surround them.

The Anchorage Park Foundation mobilizes public support and financial resources for Anchorage parks, trails, and recreation opportunities. Do you have a vision for parks, trails, open spaces and recreation in Anchorage? Consider the Anchorage Park Foundation your opportunity to fund community projects through public-private partnerships.

Pop Carr Park Safety Upgrades

Neighbors have identified a number of areas in which Pop Carr Park needs improvement. The paved paths the run through the park are crumbling in places, and cracked in others. The picnic shelter is dirty and placed poorly in a dark and shady corner of the park and is in view of a gas station. The wooden benches are rotting and covered in graffiti. The park's layout impairs visibility throughout the park, negatively affecting the safety of park users.

In the summer of 2014, the Anchorage Park Foundation and Parks & Recreation Department plan to complete improvements in Pop Carr Park with the help of community volunteers and the input of a neighborhood park committee.

We invite the Alaska State Legislature to join us in investing in the future of Pop Carr Park and the Spenard community. The Anchorage Park Foundation will match legislative investment in neighborhood park fix-its with volunteer involvement and generous support from the Rasmuson Foundation's Anchorage Parks Initiative.
