Legislative District - 28 - N

### Section 36 Park Improvements

Section 36 is approximately 640 acres of new, undeveloped park in south Anchorage. This park space is valued by community members for its rustic trails and natural beauty. Improvements are needed to provide residents with easier access and recreational opportunities. As the city of Anchorage grows and develops, this park will support the outdoor enthusiasm and active recreation for a growing population in the same vein as our other beloved parks like Kincaid, Russian Jack, and Far North Bicentennial.

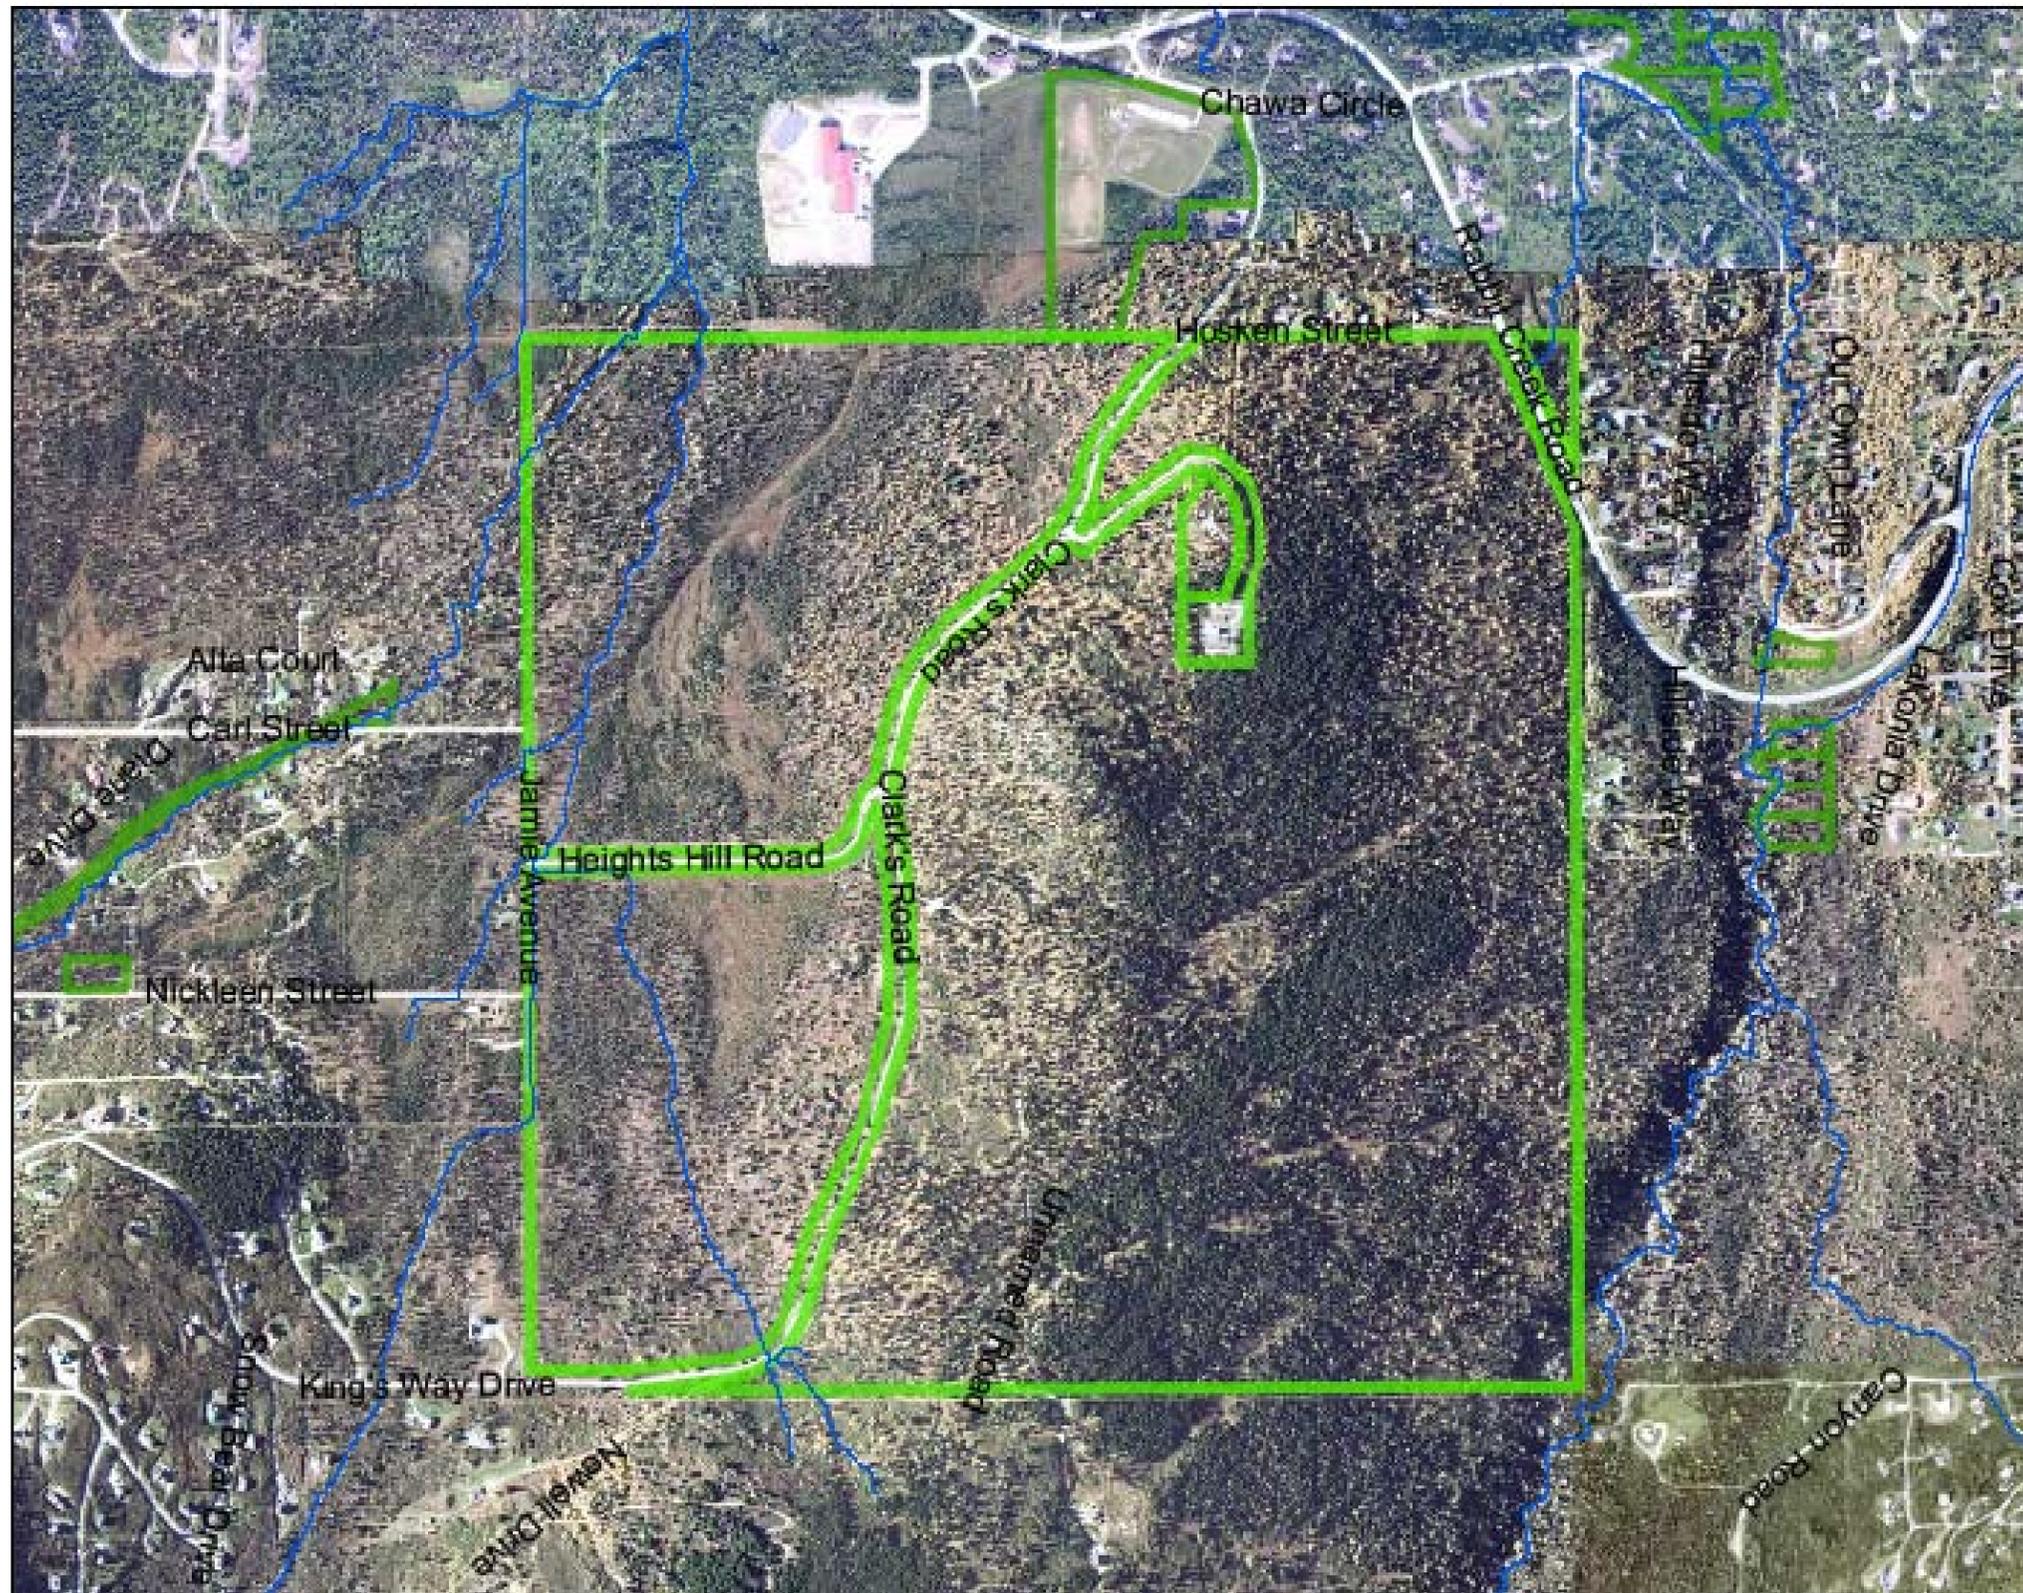

### Parks & Recreation

Anchorage has 10,946 acres of municipal parkland, 223 parks, and over 250 miles of trails and greenbelts that link neighborhoods with surrounding natural open space and wildlife habitat. These are considerable assets for the citizens of Anchorage to enjoy and maintain.

Parks & Recreation launched the *Clean & Green, Safe & Secure Campaign* with the Anchorage Park Foundation to upgrade the safety, function, and appearance of Anchorage parks. To get involved, call 343-4587.
