celebration

The Anchorage Park Foundation has developed Playground Palooza which will both renovate the park and honor retiring Superintendent Carol Comeau. The park's new playground will feature a larger-than-life polar bear that doubles as a slide. The Anchorage Park Foundation has secured a challenge grant for \$50,000 to go towards work at the park. Donors will have an opportunity to write a note for Carol with their contribution at www.AnchorageParkFoundation.org. Donations to HUGSS (Helping Us Give School Supplies) will be accepted. Please consider bringing new pencils, pens, 24-pack crayons, college rule paper, etc.
