Legislative District 18 - I

### Cope Street Park

Cope Street Park is an important neighborhood park playground for the Spenard neighborhood. The playground and safety surfacing need to be compliant with current industry-wide safety standards. Cope Street Park was last upgraded in 2001 with toddler equipment and ADA rated equipment for 5-12 year old children. Additionally, there is an important trail connection through the park. Asphalt and bridge repairs are necessary to keep the trail connection usable for the neighborhood.

In the summer of 2016, the Anchorage Park Foundation and Parks & Recreation Department plan to complete improvements in Cope Street Park with the help of community volunteers and the input of a neighborhood park committee. We invite the Alaska State Legislature to join us in investing in the future of Cope Street Park and the Spenard community. The Anchorage Park Foundation will match legislative investment in neighborhood park fix-its with volunteer involvement and generous support from the Rasmuson Foundation's Anchorage Parks Initiative

### Parks & Recreation

Anchorage has 10,946 acres of municipal parkland, 223 parks, and over 250 miles of trails and greenbelts that link neighborhoods with surrounding natural open space and wildlife habitat. These are considerable assets for the citizens of Anchorage to enjoy and maintain.

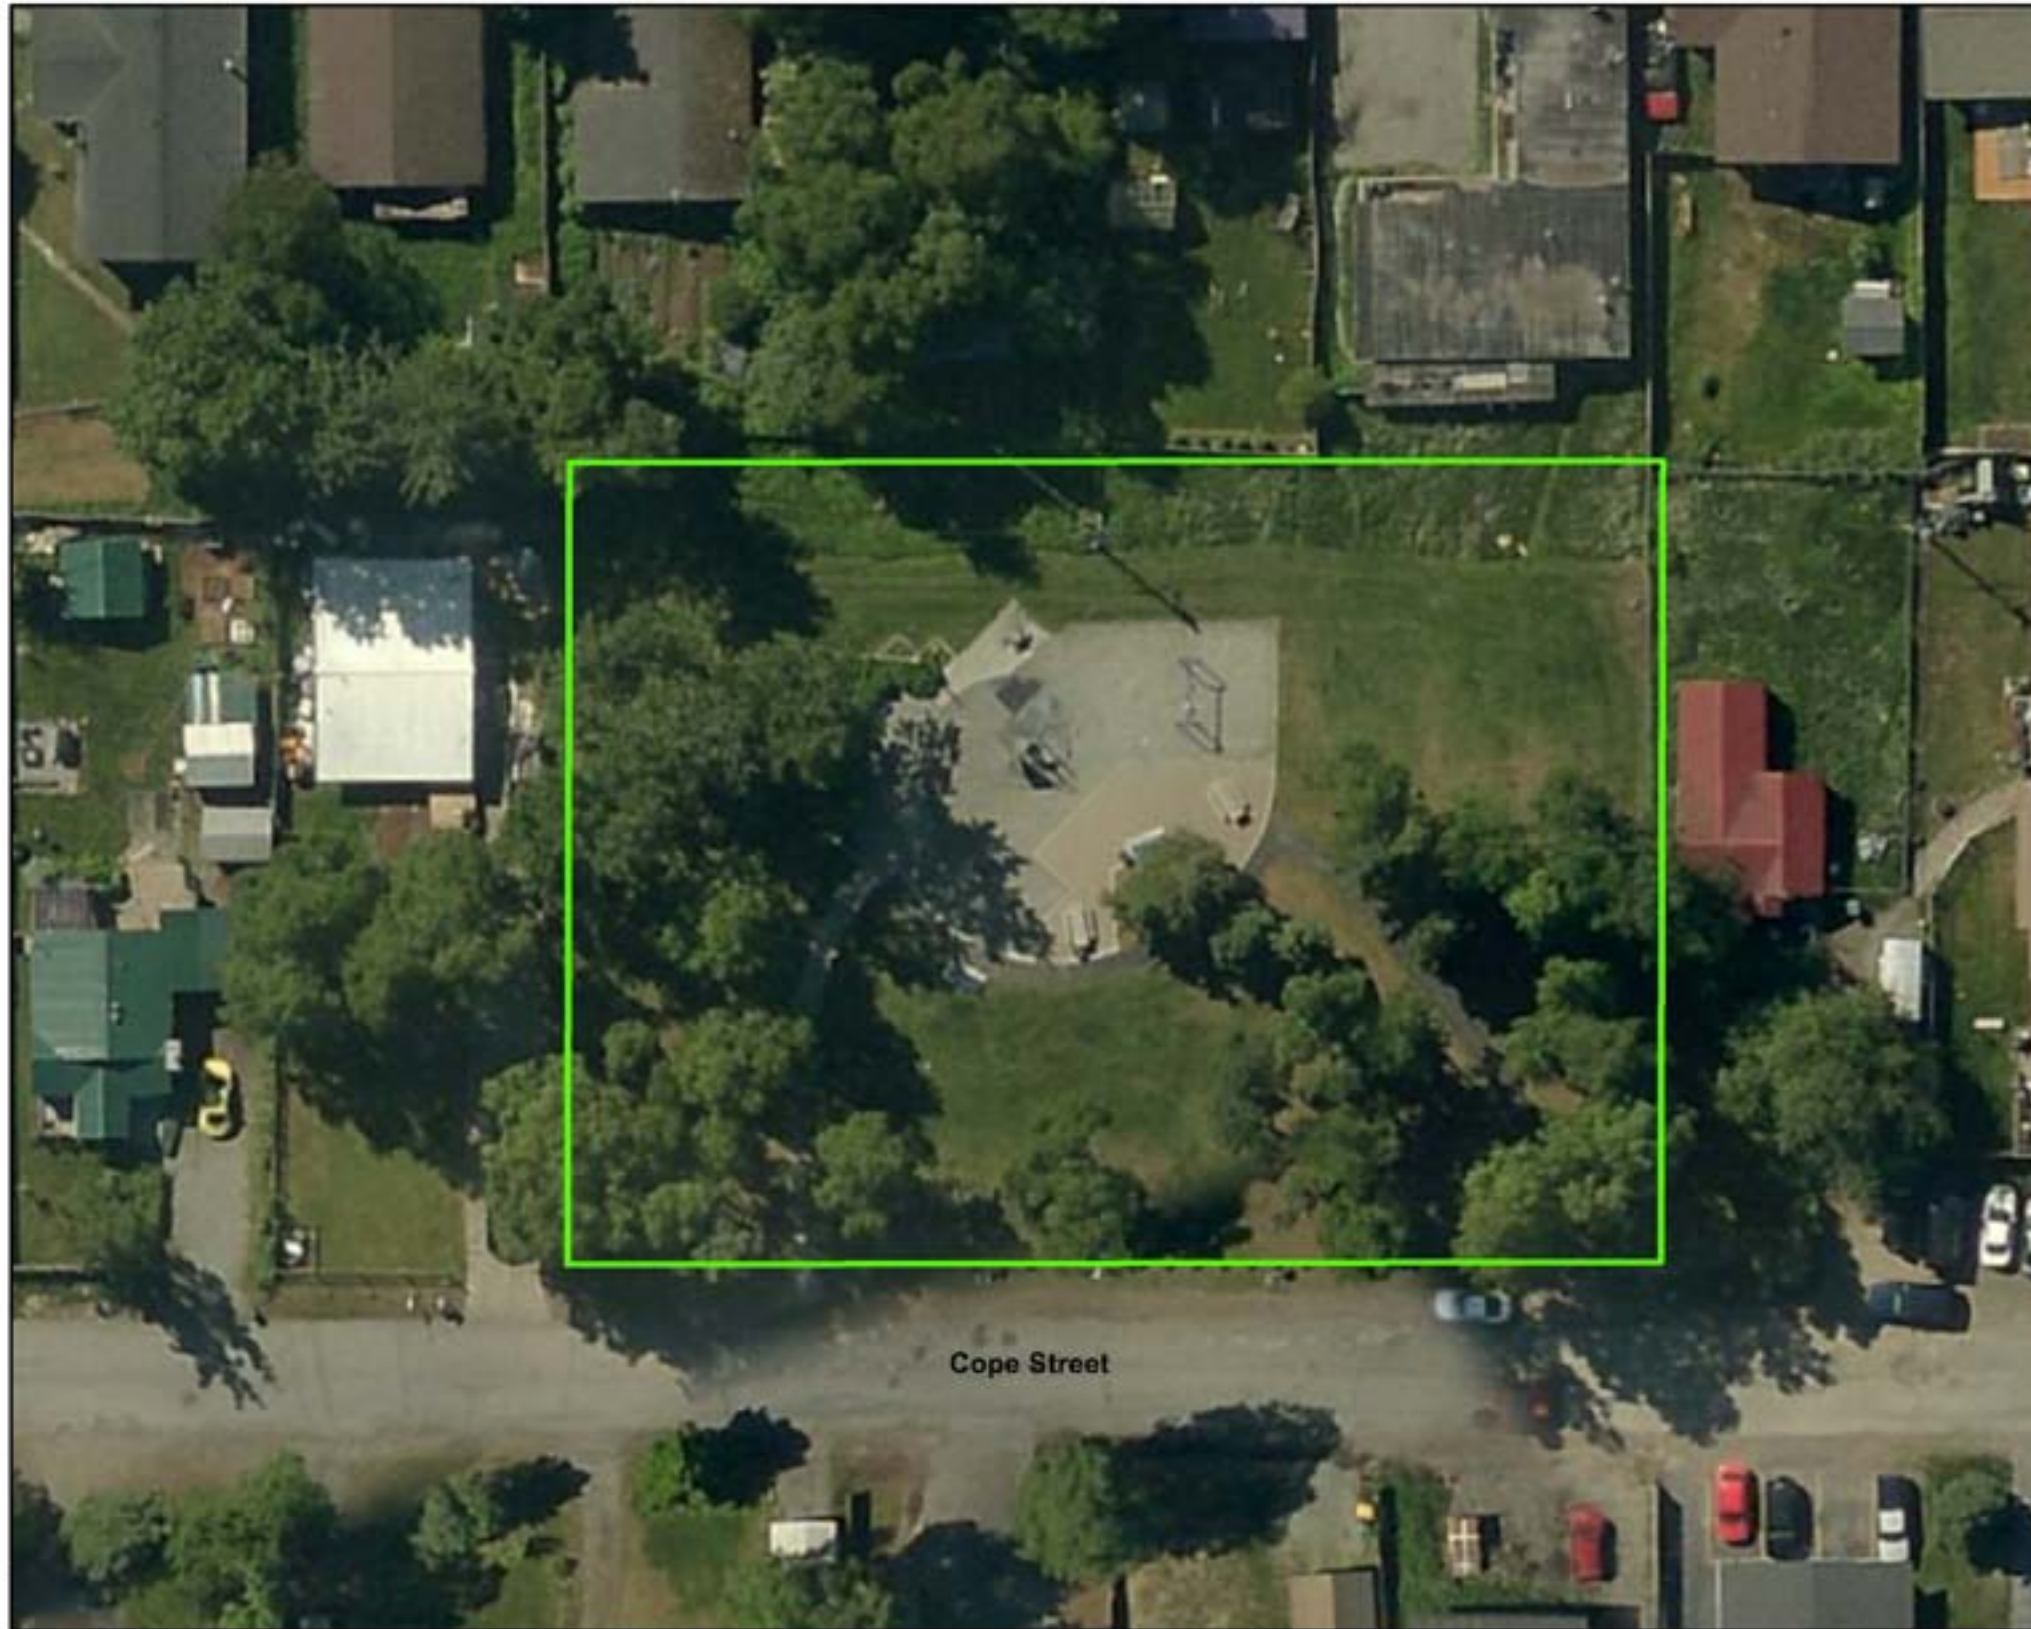

Parks & Recreation launched the Clean & Green, Safe & Secure Campaign with the Anchorage Park Foundation to upgrade the safety, function, and appearance of Anchorage parks. To get involved, call 343-4587.
