CAP SIS Project Number 62095

Legislative District 22 - K

Heatherstone Park

Heatherstone Park is a beautiful neighborhood park with the majority of care and maintenance performed by community volunteers. Neighbors have identified a need for a tot lot for the children in this area. Funds will be used to install a small playground at this location.

In the summer of 2016, the Anchorage Park Foundation and Parks & Recreation Department plan to complete improvements in Heatherstone Park with the help of community volunteers and the input of a neighborhood park committee. We invite the Alaska State Legislature to join us in investing in the future of Heatherstone Park and the Campbell Lake neighborhood. The Anchorage Park Foundation will match legislative investment in neighborhood park fix-its with volunteer involvement and generous support from the Rasmuson Foundation's Anchorage Parks Initiative.

Parks & Recreation

Anchorage has 10,946 acres of municipal parkland, 223 parks, and over 250 miles of trails and greenbelts that link neighborhoods with surrounding natural open space and wildlife habitat. These are considerable assets for the citizens of Anchorage to enjoy and maintain.

Parks & Recreation launched the Clean & Green, Safe & Secure Campaign with the Anchorage Park Foundation to upgrade the safety, function, and appearance of Anchorage parks. To get involved, call 343-4587.
