Legislative District 23 - L

Roosevelt Park

Roosevelt Park is one of the oldest parks in the Spenard District dating back to the 1950's. The park was most recently redone in 2003 with the installation of a tot lot playground (2-5 yrs) and play equipment for older children (5-12 yrs). The safety surfacing is not compliant with current industry-wide safety standards. Funds will be used to upgrade these features and improve safety.

In the summer of 2016, the Anchorage Park Foundation and Parks & Recreation Department plan to complete improvements in Roosevelt Park with the help of community volunteers and the input of a neighborhood park committee. We invite the Alaska State Legislature to join us in investing in the future of Roosevelt Park and the Spenard community. The Anchorage Park Foundation will match legislative investment in neighborhood park fix-its with volunteer involvement and generous support from the Rasmuson Foundation's Anchorage Parks Initiative.

Parks & Recreation

Anchorage has 10,946 acres of municipal parkland, 223 parks, and over 250 miles of trails and greenbelts that link neighborhoods with surrounding natural open space and wildlife habitat. These are considerable assets for the citizens of Anchorage to enjoy and maintain.

Parks & Recreation launched the Clean & Green, Safe & Secure Campaign with the Anchorage Park Foundation to upgrade the safety, function, and appearance of Anchorage parks. To get involved, call 343-4587.
