

2015

CAP SIS Project Number 62865

Legislative District 26 - M

Ruth Arcand Park

Hundreds of families go to the Abbott-O-Rabbit ball fields each summer for Little League games. Children not playing ball will benefit from a place to play while their siblings are playing baseball.

The Parks & Recreation Department in collaboration with the Anchorage Park Foundation and a group of Little League volunteers recently completed accessibility and parking improvements at the ball field complex.

In the summer of 2016, the Anchorage Park Foundation and Parks & Recreation Department plan to complete improvements in Ruth Arcand Park with the help of community volunteers and the input of stakeholders of the Abbott-O-Rabbit ball fields. We invite the Alaska State Legislature to join us in investing in the future of Ruth Arcand and the Abbott-O-Rabbit community.

Parks & Recreation

Anchorage has 10,946 acres of municipal parkland, 223 parks, and over 250 miles of trails and greenbelts that link neighborhoods with surrounding natural open space and wildlife habitat. These are considerable assets for the citizens of Anchorage to enjoy and maintain.

Parks & Recreation launched the Clean & Green, Safe & Secure Campaign with the Anchorage Park Foundation to upgrade the safety, function, and appearance of Anchorage parks. To get involved, call 343-4587.
