Anchorage has one of the best urban trail systems in the country, with hundreds of miles of paved multi-use trails connecting neighborhoods, parks, and businesses across the city. Linking existing trails and city streets forms a 32-mile urban greenway loop in the shape of a moose! Use this map to plan your next close-to-home adventure and learn more about your city by exploring somewhere new.

For additional park and trail information, including a detailed map of the Moose Loop, designated walking routes, and local playgrounds go to: AnchorageParkFoundation.org
