

# Environmental & Outdoor Education Symposium

---

## 2023 SPONSORSHIP PACKET

Join the movement to make Alaska a national leader in outdoor and environmental education. Stand out by supporting this gathering of statewide informal educators and be a part of this grassroots movement from the beginning.

### **Environmental and Outdoor Education Symposium**

Alaska Natural Resource and Outdoor Education Association (ANROE) in partnership with the Anchorage Park Foundation, are proud to present the 2023 Alaska Environmental and Outdoor Education Symposium! Peer reviewed research shows that kids who participate in outdoor educational activities thrive! From reducing stress, improving mental and physical health, to higher academic achievement, and likelihood of graduation. This symposium is a chance for educators who teach outside to connect, build professional skills, as well as begin working as a coalition to make Alaska a national leader in environmental and outdoor education.

**When:** Friday, February 24<sup>th</sup> | 9am - 5pm

**Where:** BP Energy Center, 1014 Energy Ct, Anchorage, AK 99508

**Why:** Environmentally literate people understand the implications of their actions and have the skills to critically think about and make responsible choices.

### **About the Alaska Natural Resource and Outdoor Education Association**

ANROE collaborates with organizations, agencies, and school districts to provide education resources, training, and networking opportunities about Alaska natural resources. Through its newsletter, mailing list and forums, ANROE members share information about environmental education tools, techniques, employment, and professional development opportunities. ANROE is funded by memberships and sponsors.

### **About the Anchorage Park Foundation**

The Anchorage Park Foundation mobilizes public support and leverages financial resources for Anchorage parks, trails, and recreation opportunities in partnership with the Anchorage Park and Recreation Department. Anchorage Park Foundation's programs and initiatives focus on promoting healthy lifestyles, addressing inequalities in access to public lands, and empowering community members to advocate for a vibrant park system.

Your sponsorship is greatly appreciated.

**Thank You**
